**Re: Application for Consent to Assign Assets From Global Capacity Group, Inc.
and Global Capacity Direct, LLC f/k/a Vanco Direct USA, LLC, to Global
Telecom & Technology Americas, Inc.
Docket: WC Dkt 10-15**

Dear Ms. Downs:

This letter shall serve to supplement and amend the above referenced Application for Consent. A review of the filed Application in this matter shows that the International Section 214 authorization, ITC-214-19990811-00546, was incorrectly noted as belonging to Applicant Global Capacity Direct, LLC f/k/a Vanco Direct USA, LLC. In fact, the listed authorization is assigned to Universal Access, Inc. DIP.¹ This reference was made in error and should be deleted from the above referenced Application.

If you have any questions, please feel free to contact the undersigned.

¹ Public Notice DA 05-2254 *rel.* August 4, 2005, states that UAI-DIP would be retaining its International 214 authorization ITC-214-19990811-00546, and then surrendering the authorization after closing. Applicant Global Capacity Direct, LLC, does not control UAI-DIP but will, as a separate matter, notify counsel or other appropriate persons that proper steps should be taken to surrender the referenced authorization.

Very truly yours,

SHEFSKY & FROELICH LTD.
